**TO WHOM IT MAY CONCERN:**

*Cardio-Fitness Center in Sofia is glad to recommend Mr Valentin Grozdev. Since December 1992 Mr Grozdev has been working in one of the most prestigious fitness center in Sofia. He worked as a masseur and strength and conditioning specialist.*

*Mr Grozdev is highly qualified and educated which is a necessary condition for his work both whit trained sportsmen, as well as beginners in body building and fitness. He also possesses the necessary administrative experience with regard to the general structure and exploitation of a fitness center. He is able to develop correct and specialized individual training programs for tennis players.*

*Once again I would like to point out that Mr Valentin Grozdev is a completely reliable and qualified young man, and I am more than glad to recommend him for any job in the field of fitness and conditioning training.*
